

Easter ICE Camp

Dundee Ice Arena

Monday 2nd –Friday 6th April 2018

We would like to invite you to our Easter ICE Camp where we pride ourselves on giving skaters the most thorough and complete training experience. Our expert coaches will teach skaters the necessary skills to move through from beginner to elite level.

This year we have decided to work with some of the countries most experienced Technical Specialists and be the first UK ICE camp to focus on an in depth IJS analysis of each skater. Giving specific advise on where to increase your competitive scores.

Camp Fee £300
