

1. POLICY PURPOSE

1.1 This policy is for use by British Ice Skating athletes who are seeking qualification for the GB Performance Squad in Singles, Pairs, Ice Dance and Synchronised Skating during the 2019/2020 season, and selection to the 2019/2020 ISU Figure Skating events and Championships.

2. ELIGIBILITY

2.1 All athletes must comply with the current rules and regulations, including those on eligibility as set out by the International Skating Union¹ (ISU), as amended from time to time.

2.2 In addition to complying with the ISU's requirements on eligibility, in order to be considered for selection, athletes must meet the following criteria: -

2.2.1 be of the appropriate age for their category, as specified within Appendix 2.

2.2.2 need to be eligible to compete for Great Britain, i.e. be a full British passport holder, or hold a valid ISU Clearance Certificate to represent Great Britain, or hold a valid Release Letter (Synchronized Skating only); and

2.2.3 all British Ice Skating athletes who wish to be considered for selection at events will at all times abide by the terms and conditions of the Athlete Agreement.

(FULL) ELIGIBLE PERSONS/ATHLETES

2.3 Providing always that the eligibility criteria set out at 2.1 and 2.2 above are complied with, the following will result in full eligibility status being granted to the individual: -

2.3.1 persons who participate/compete/judge in Sanctioned² (permitted) events only and do not receive any remuneration or benefit in kind whatsoever, in respect of their involvement; or

2.3.2 persons who receive sponsorship/grants/bursaries without any commitment to participate/perform/endorse in consideration.

INELIGIBLE PERSONS/ATHLETES

2.4 Notwithstanding the eligibility criteria set out at 2.1 and 2.2 above being complied with, the following will result in an ineligible status being granted to the individual: -

2.4.1 persons who receive any remuneration or benefit in kind as a result of participation/competing/coaching; or

¹ <https://www.isu.org/inside-isu/rules-regulations/isu-statutes-constitution-regulations-technical/17913-constitution-general-regulations-2018/file>

² participating in events run under ISU/British Ice Skating regulations using only ISU/British Ice Skating officials, such as (but not exhaustive) events, exhibitions, shows, galas, endorsements etc. that take place in the UK, which involve either all eligible skaters or a mix of eligible and non-eligible skaters, but do not involve any form of judging, may be sanctioned (permitted) by British Ice Skating e.g. club/rink shows/galas.

- 2.4.2 persons who wear or display any forms of intellectual property, without the prior permission of British Ice Skating; or
- 2.4.3 persons who have participated in an unsanctioned (non-permitted) event³ with or without receiving any remuneration or benefit in kind.

(RETAINED) ELIGIBLE PERSONS/ATHLETES

- 2.5 Providing always that the eligibility criteria set out at 2.1 and 2.2 above are complied with, the following will result in retained eligibility status being granted to the individual: -
 - 2.5.1 persons who receive remuneration or any benefit in kind from participating/competing/judging in a Sanctioned event who with the prior permission from British Ice Skating will use such solely towards the financing of their current or future international competitive skating career. In order to comply such remuneration must either be received through British Ice Skating or full disclosure must be provided to British Ice Skating. All monies shall be ringfenced and retained in an independent bank account from any other funds. Financial returns must then be submitted on an annual basis.

ADMINISTRATION

- 2.6 All GB Performance Squad athletes must submit a separate sanctioned form⁴ each time they participate in a Sanctioned (permitted) event whether or not they receive any remuneration, expenses or benefit in kind, whatsoever.
- 2.7 Athletes who also deliver coaching (including assistants and trainees) must submit an annual application form⁵ which should be submitted alongside the coach revalidation application (if appropriate).
- 2.8 Whether an athlete holds full eligible, retained eligible or ineligible status, they must submit annual financial returns form⁶ summarising all remuneration or benefit in kind received to the British Ice Skating offices, by 28 February each year.

³ To include, but not be limited to participation in an international club competitions or competitions of other federations without British Ice Skating permission, or participation in an unsanctioned event such as a televised ice dancing competition, such as (but not exhaustive) events, exhibitions, shows, galas, endorsements etc. that take place in the UK, which involve a mix of eligible and non-eligible skaters but also include any form of judging, cannot be sanctioned (permitted) by British Ice Skating. These events require the sanction of the ISU. This also applies to any such event held anywhere around the world. Events, exhibitions, shows, endorsements etc. that take place outside the UK which involve either all eligible skaters or a mix of eligible and non-eligible but do not involve any form of judging, must be permitted by the ISU member in the country concerned.

RETENTION OF STATUS

- 2.9 Not following the relevant procedure may result in a loss or revocation of Eligible status, the consequence of such will be that they become Ineligible persons/athletes. In this instance there will be no registration of this change in status and it will occur immediately.
- 2.10 It is the responsibility of the athlete or the individual (or their parents, if appropriate) to ensure that the intended activity has the correct sanction (permit) before commitment and participation. It is advised that individuals or athletes should not participate in any event without having sight of the sanction (permit) from the relevant authority. It is the responsibility of the individual or athlete to protect their Eligible status (Full or Retained).
- 2.11 In order to retain Eligible status, whilst at the same time receiving any remuneration or benefit in kind a person/athlete must apply to British Ice Skating (in advance of receiving remuneration/benefit in kind) for authorisation and registration as 'Retained Eligible'. This procedure cannot be done retrospectively and must be requested through British Ice Skating and not the ISU.
- 2.12 An ineligible person/athlete wishing to regain their full eligible status in the UK in order to judge or compete in the UK, must apply to British Ice Skating for reinstatement as an eligible person. However, in order for this to be valid to judge or compete internationally, an application should also be submitted to the ISU via British Ice Skating.
- 2.13 Reinstatement of Eligible status may only be granted once.
- 2.14 Any involvement in any unsanctioned event which precludes any person/athlete from regaining Eligible status from the ISU does not necessarily preclude them from judging or competing nationally by achieving national reinstatement from British Ice Skating.

GB PERFORMANCE SQUAD

3. QUALIFICATION AND SELECTION

- 3.1 The criteria for selection and qualification is detailed at appendix 2.
- 3.2 The British Ice Skating Technical Advisory Committees of the respective disciplines (TACs), acting on delegated authority from the British Ice Skating Board, have the overall and final responsibility for all selection criteria and individual selection decisions, in accordance with the British Ice Skating Memorandum and Articles of Association and the TAC terms of reference. This includes adhering to any other relevant policies and guidelines, including rules of conflict. They will also be responsible for the production, management and publication of the International Selection Manual.
- 3.3 The TACs will be supported by the British Ice Skating executive in relation to the recommendations of selection of athletes for international events, the collation of information as the Data Controller, and the allocation of expenditure as the budget holder. Documentation will also be published centrally through the British Ice Skating office.

- 3.4 Any selection decision proposed by any TAC member must be approved by the British Ice Skating Technical Advisory Committee as a whole before any decision is communicated to any third party, including the relevant athlete.
- 3.5 In determining the selections the TAC may take into account any exceptional circumstances presented by the athlete, however, such may be considered at the TAC's absolute discretion.
- 3.6 The TACs will liaise in order to ensure that all athletes are considered within the overall British Ice Skating talent pathway.
- 3.7 Upon selection to ISU Championships, all GB Performance Squad athletes will be notified by e-mail.
- 3.8 In an Olympic Season, selection standards and procedures for the selection of athletes will be agreed between British Ice Skating and the British Olympic Association for each individual Olympic Games. Whilst ISU criteria will be considered, the final decision remains between the British Ice Skating and the British Olympic Association.

GRAND PRIX AND OTHER INTERNATIONAL EVENTS

4. QUALIFICATION AND SELECTION

- 4.1 GB Performance Squad athletes will take priority over lower level squad athletes in the allocation of events. However, British Ice Skating also reserves the right to include National Rankings and screening events moderated by Judges and Officials of a level equivalent to the event in question (i.e. ISU-level for ISU events) in the allocation process, and may consider exceptional circumstances at their absolute discretion, including, but not limited to, injury absences, form and recent performances, when making selection decisions.
- 4.2 The criteria for selection and qualification is detailed at appendix 1.

5. DE-SELECTION

- 5.1 British Ice Skating reserves the right to de-select or change athletes selected for an event, at any time up to the draw of such event, for reasons which may include, but not be limited to, an athlete's loss of form, injury or any breach of the Athlete Agreement.

6. APPEAL PROCESS

- 6.1 The decision of British Ice Skating with regard to GB Performance Squad selection, allocation of ISU International competitions and Junior Grand Prix events is final. There is no right of appeal by the athlete.

ISU CHAMPIONSHIPS

7. SELECTION AND QUALIFICATION

7.1 The following process will be followed for any ISU Championship event on the condition that the athlete(s) has achieved the minimum total technical score as set by the ISU for the relevant season. Dates of selection meetings will be advertised on the Timeline⁷.

7.2 Each GB Performance Squad athlete(s)/team will have their current season's best score taken from any ISU-listed International or ISU Grand Prix in the same category as the Championship event, where entered by British Ice Skating, totalled with twice the season's British Championship score at the same category. All scores obtained before the selection meeting date will be considered. In normal circumstances, the athlete/team with the highest total score will usually be considered for selection. All scores are relevant whether achieved as a GB Performance Squad member or not, and lower-squad level athletes/teams will also be considered on this basis.

7.7 GB Performance Squad athletes who only have an international score will also be considered within the calculations for the relevant category.

7.8 DE-SELECTION FROM AN ISU CHAMPIONSHIP EVENT

7.8.1 British Ice Skating reserves the right to consider for selection other athletes/teams in lieu of the athlete/team with the highest score in any circumstances where:

- (i) British Ice Skating considers, in their sole discretion, that the other athlete/team are likely to produce a better performance at the event, but failed to achieve the highest score for a valid reason including, but not limited to, their previous non-attendance, withdrawal or under-performance at any relevant ISU-listed International event, Grand Prix, or British Championships, whether such was due to injury, or otherwise; or
- (ii) British Ice Skating considers the other athlete/team are likely to produce a better performance at this specific event owing to the subsequent injury or loss of form of the athlete/team with the highest total score; or
- (iii) the athlete or any member of the team with the highest score has breached the Athlete Agreement.

8. APPEALS PROCESS FOR ISU CHAMPIONSHIPS⁸

8.1 The Parties shall exclusively submit any dispute concerning any matter, connected with or arising out of British Ice Skating's selection policy and procedure in relation to ISU Championship events to binding arbitration, conducted by an appeals panel appointed by Sport Resolutions UK.

⁷ Timelines are set out at Appendix 3

⁸ ISU Championships for European Member Federations comprise Junior World Championships, European Championships and World Championships.

- 8.2 The appeals panel will comprise a legally qualified chair and two wing members, appointed by Sports Resolutions UK. The chair and one wing member will be selected by Sport Resolutions UK from its panels. The other wing member will be selected by Sport Resolutions UK from a list of ice skating experts supplied by British Ice Skating. The dispute will be determined pursuant to any rules as to the conduct of the arbitration laid down by Sport Resolutions UK and/or the appeals panel appointed.
- 8.3 A detailed timeline (“the Timeline”) will be published for each specific ISU Championship, and is to be treated as being specifically incorporated into this appeals process.
- 8.4 Appeals may only be made where an athlete asserts that the selection criteria and/or process have not been fairly applied.
- 8.5 An athlete (“the Appellant”) may appeal against the decision of the British Ice Skating selection panel to Sport Resolutions UK c/o the Dispute Resolution Manager/Solicitor, Sport Resolutions UK, 1 Salisbury Square, London EC4Y 8AE.
- 8.6 The Appellant shall lodge an appeal in writing (“Notice of Appeal”) to Sport Resolutions UK no later than the date and time published in the Timeline for the specific event. The Notice of Appeal must be accompanied by all relevant documentation which the Appellant wishes to rely upon in support of the Appeal.
- 8.7 In lodging the Appeal, the Appellant shall be liable for a fee, both to British Ice Skating and to Sport Resolutions UK, specific to the hearing requested. The fee shall be payable directly to each party as appropriate, in order to cover administration costs and hearing costs. The relevant fees are as follows: -

 - 8.7.2 a fee of £750, which is non-refundable, shall be paid directly to Sports Resolutions UK, when lodging a Notice of Appeal in respect of a written hearing; or
 - 8.7.3 a fee of £1,000, of which £750 is a non-refundable deposit, shall be paid directly to British Ice Skating, when lodging a Notice of Appeal in respect of an oral hearing; and

- 8.8 Payments to both British Ice Skating and Sport Resolutions UK shall be payable by either cheque or bank transfer (details available on request) immediately on the submission of the Notice of Appeal. In the event of either payment not being made, or later being declined, the Appeal shall be dismissed, however the Appellant may remain liable for the fees to both parties.

- 8.9 Sport Resolutions UK shall appoint the appeals panel and notify the Appellant and British Ice Skating of the identities of such with two working days of receiving the Notice of Appeal. Either party may challenge the appointment of any member(s) of the appeals panel where there are justifiable doubts as to an individual's impartiality or independence or where the party raises a material objection. Such challenge must be made in writing to Sport Resolutions UK within two working days of the party being notified of the appeals panel's appointment. Unless the appeals panel member(s) elects to withdraw, Sport Resolutions UK shall decide on the validity of the challenge within one working day of receipt. The decision of Sport Resolutions UK shall be final. Any replacement appeals panel member shall be appointed by Sport Resolutions UK no later than one working day later.
- 8.10 British Ice Skating (and any affected athlete(s), if applicable) shall have one working week from the date of notification of the appeal to make its written response to the Notice of Appeal ("the Response").
- 8.11 The Appeal shall be heard by way of written submissions, unless the Appellant requests an oral hearing at the time of giving Notice of Appeal, or the appeals panel so directs. Such hearing shall take place on a date and at a place to be determined by the appeals panel and not later than the date and time published in the Timeline for the specific event.
- 8.12 The appeals panel may give such directions as it deems appropriate regarding the arrangements for, and the conduct of, the Appeal.
- 8.13 Where the Appeal is considered by way of written submissions the appeals panel shall give its written decision within three working days of the relevant Response(s) being received, whichever is the later date.
- 8.14 Where the Appeal is considered by way of oral hearing, the appeals panel shall give its written decision within three working days of the hearing, and not later than the date time published in the Timeline for the specific event.
- 8.15 In the event of a successful appeal, British Ice Skating will reimburse the Appellant the fee (minus the non-refundable element) which was paid to British Ice Skating. No refund will be payable in respect of the fee paid to Sports Resolutions UK, irrespective of the hearing outcome.
- 8.16 If an Appeal is withdrawn before being finally determined by the appeals panel, no refund shall be payable to the Appellant by either British Ice Skating or Sport Resolutions UK.
- 8.17 Each party shall be responsible for its own costs, including travel and representation.
- 8.18 Venue hire charges and travel and subsistence expenses of the appeals panel and Sport Resolutions UK may be incurred in addition, in which case they will be added to the costs set out above and shall be the responsibility of the Appellant.
- 8.19 All charges are subject to VAT unless indicated to the contrary.

- 8.20 The hearing shall be held in private, however, Sport Resolutions UK may publish the written decision after it has been received by the Parties.
- 8.21 The Appeal shall otherwise be governed by the Sport Resolutions UK Arbitration Rules⁹.
- 8.22 The outcome of the Sport Resolutions UK arbitration shall be final and binding and no party shall have any further recourse thereafter.
